## Smith Warehouse - Global Education and DukeEngage

**Duke in Silicon Valley:** A four-week, one-credit summer course, held in Silicon Valley, for students interested in entrepreneurship.

**Duke in Chicago:** A six-week, two-credit summer course, held in Chicago, for entrepreneurs who love the arts and artists who want to be entrepreneurial.

**DukeEngage in Detroit:** Social entrepreneurship efforts focused on helping revitalize Detroit.

## Gross Hall

**Certificate in Innovation and Entrepreneurship:** An undergraduate certificate that provides a pathway for cross-disciplinary study in innovation and entrepreneurship that complements any major. Rigorous, hands-on experiences are a critical component of the certificate.

**Social Entrepreneurship:** For students interested in innovating a better world.

### Programs and Clubs

**Melissa & Doug Entrepreneurs:** Our premier program for aspiring student entrepreneurs.

**Summer Innovation Program:** Regional programming and activities to accompany student summer internships.

**Startup Connect:** Annual job fair connecting students with startups.

**Duke Start-Up Challenge:** A year-long competition for student entrepreneurs.

**HackDuke:** A student run hackathon.

**Innovation Co-Lab:** A virtual incubator focused on improving the technology experience at Duke.

**Student Clubs:** Provide enriching experiences for students with interests in the many aspects of entrepreneurship.

**Research:** Advancing research in the fields of entrepreneurship and innovation and making Duke a thought leader in these fields.

**Resources:** Duke provides resources for networking, team formation, business planning, translation, access to incubators and funding opportunities.

**DukeGEN:** A community of alumni entrepreneurs.

## Nicholas School of the Environment

**The Environmental Certificate in Innovation and Entrepreneurship:** A 12-credit program that teaches students to develop, evaluate, refine, and launch a new sustainable product or service.

## Sanford School of Public Policy

**Social Entrepreneurship and Policy Initiative:** Provides opportunities for students in the Master of Public Policy (MPP) program through ventures, leadership, and education in social entrepreneurship and policy.

**Hart Leadership Program:** Challenges students to practice the art of leadership in public life.

## Duke Medicine

**DTMI (Duke Translational Medicine Institute):** Duke's academic home for the clinical and translational research community.

**DTRI (Duke Translational Research Institute):** The mission of DTRI is to rapidly and effectively invent, develop, and test new drugs, diagnostics, and devices for human use.

**OLV (Office of Licensing and Ventures):** The licensing and new venture creation arm of Duke University and Duke Medicine.

**CONCEPT:** The Center of Nursing Collaboration Entrepreneurship and Technology: through consulting services, networking resources, and seed funding, CONCEPT provides a hub for innovation and entrepreneurship at the Duke University School of Nursing.

## Pratt School of Engineering

**DUHatch:** An on-campus incubator.

**Master of Engineering Management Program:** A degree program that develops future leaders of technology-based organizations.

## Duke Law School

**Start-Up Ventures Clinic:** Provides legal advice and assistance to seed and early stage entrepreneurial ventures.
